

Workshops to IMPROVE, ENHANCE, EXCEL in Reading and Math

# The ACE Program for Kindergarten - Grade 5

SUMMER 2012

Help your child stay on the fast track to school success throughout the summer. *\*And* enjoy fantastic day camp fun at the same time!

Laurel Hill has a great opportunity for your child to gain an academic edge by improving or accelerating in reading or math skills. Just add ACE workshops to your camper's day! Our *Academic Center for Enrichment* provides the tools and the opportunity to augment your child's educational development. Reach higher levels of achievement - all without compromising summertime fun! Your child may pursue confidence building remedial instruction or apply emerging interests and talents to fascinating challenges in reading, writing or mathematics. Our professional educators will design a program with your child in mind.

*ACE it!* At Laurel Hill – enjoy a fulfilling summer of accomplishment and fun to grow on.

## PROGRAM

Workshops in grade appropriate Reading & Language Arts (phonics, reading comprehension, vocabulary and writing) and Math concepts skills will be offered daily to children in grades K-5. *Children not registered in our day camp are also welcome to register for the workshops.* The instructional strategies our workshops embrace build on nearly 40 years of teaching excellence practiced at LHS. Small class size (6 students per workshop) taught by a teacher and an assistant provide for greater opportunities for individualized attention and higher levels of achievement.

## STAFF

A certified teacher and a trained assistant lead each workshop. Our caring and enthusiastic staff has access to the latest educational materials and is responsive to the individual needs of each child. Prior to the beginning of each workshop you will receive an academic questionnaire and be contacted by our staff so that we can assess each child's needs and construct an individualized academic program.

## WORKSHOP PLAN

Workshops will meet every day for two weeks – 10 sessions for each workshop. Students may select one workshop in the morning and one in the afternoon. Schedules have been designed so that children registered for LHS camp programs will not miss their instructional or free swim periods

### FEES

LHS Campers	\$150 per week	Registration Fee \$0
NON-LHS Campers	\$175 per week	Registration Fee \$25 **

## HOW TO REGISTER
