

# TEENSHOP WORKSHOPS

## Summer 2018

### **Bath and Body Works**

Make your own luxurious bath and body products and design your signature packaging! You'll create luscious sugar body scrub, body wash, lip balm and moisturizer. Perfect for gift-giving or to treat yourself to a spa experience.

### **Movie Making**

It's digital movie making and photography the creative, fun way. Take a trip around camp with your camera and learn how to take photos based on your chosen theme. Import these photos using Apple's iPhoto and then enhance them using special effects and touch-up techniques. From there, import the photos to Apple's iMovie HD, then add transitions, special effects, and music to create your very own movie. All the campers' movies will be combined into a single DVD using Apple's iDVD, and each camper will get to take home a copy.

### **LHS Has Talent**

Calling all singers, dancers, magicians, comedians, and all other performers.... If you have talent this is the place for you! Come share and showcase your talent with other LHS campers on the season premier of LHS Has Talent.

### **Video Game/Web Design**

Video games will never be the same after this workshop! Become a pro as you build your very own video games. Using professional software learn fundamental game design techniques and progress to adding features such as movement, collision detection, basic artificial intelligence, scoring and many more!

### **Cooking Around The World**

Grab your spoons and pack your apron! In this class children will go on a tasty tour of nations far and wide! While learning fun cultural facts they will use global techniques to embark on a creative journey which may include Mexican Flatbread Pizza, Asian Summer Rolls, Irish Soda Bread, Italian Lasagna, French Crepes, Greek Yogurt Salad, Pita Bread and Hummus, British Crumpets, South African Melon Salad, Aussie Damper Bread, Indian Potato Samosas and end safe at home with All American Watermelon Pizza!

### **Digital Photography**

Learn how to "make" photographs, not just "take" them. Become friends with your camera and practice making photographic decisions to capture and create what you see with your eyes, minds, and hearts. This fun hands-on digital photography workshop encourages shutterbugs to explore their own creativity and self-expression using their camera.

### **The Recording Studio**

Do you want to take your love for music to the next level? How about recording your very own CD in the LHS recording studio! Cut your own DEMO and create your #1 hit with us!

### **Mason Jar Art**

Let your creativity flow using mason jars and various mediums. Whether you design your own beach themed lantern, a sparkling Mason Jar fairy light, or your own one of a kind Mason Jar art, these cool crafts can be used for creative room décor or homemade gifts.

### **DIY Donut Pillows & More**

Who doesn't love donuts? Are you always looking for the best pillow? Make a decorative donut pillow and other décor projects for your bedroom or living room with this super cute DIY (Do it yourself) craft. You'll love snuggling with your new pillow and enjoy your creative new décor.

### **Camp Coding**

Calling all coders. Learn the basics of coding languages. Whether you want to be the next Mark Zuckerberg or just want to have fun, this course is for you.

### **Band Jam**

Bring your instruments and jam with our creative specialist. Join other campers to fill our campus with melodious tones and rockin' sound!

### **Crafting With CD Discs**

Dust off your old CDs and turn them into awesome DIY crafts. Mosaic art, coasters, wall hangings, wind chimes and one of a kind jewelry are just a few of the greatest ways to recycle that pile of old CDs.

### **LHS Bakery**

It is the ingredients, science and creativity that make bakery items chewy vs. crispy, thick vs. thin and healthy vs. decadent. Our edible experiments will have you inventing your own baked goods from scratch: colors, textures, shapes, sizes and of course flavors! Become a bakery mixologist as we bake with chocolate, oatmeal, fruit, cinnamon and more. We will decorate and package our creations into works of art.

### **Junk Drawer Magic**

Create awesome magic tricks out of stuff in your junk drawer! Learn how to wow your audience by performing magic like a pro. Tricks may include magical crayon box, spinning head trick, magically restored torn card, fake knife trick, levitate fruit, eat spoons and more in the ultimate magic show

### **The Voice**

If you always dreamed of being in a show choir and singing and dancing to your favorite tunes, this is for you! You've seen the show... now the "The Voice" is the place to strut your stuff!
